Terms of Sale

All accounts are net 30 days from date of invoice. 2% ten days—3% cash with order. Boxing extra.

Cash or satisfactory references are required from unknown parties.

SPECIMEN PLANTS. Specimen plants, selected by the customer or by his representative, will be priced according to their individual values.

CLAIMS. No claims for rejections or deficiencies will be entertained unless made within 10 days after arrival of goods.

NOTICE. We regret that because of shortage of labor we are unable to make immediate delivery to those who call at the nursery. When customers wish to send their own trucks for bulk loading, it is advisable to give us three or four days advance notice, so that we may have the material ready when the truck arrives and avoid delay.

PACKING. Boxing and baling extra at cost.

QUANTITY RATES. Not less than 10 plants of a variety at 10 rate. An additional charge will be made for orders of less than 10 of a variety.

Not less than 25 plants of a variety at 100 rate.

GUARANTY. We give no warranty, expressed or implied, as to the life or productiveness of any nursery stock that we sell. The only guarantee that we make is that our stock is alive at time of shipment and true to name. No complaints will be considered that are not made forthwith upon receipt of order. Any stock ordered from this list found untrue to name, will be cheerfully replaced at the first favorable opportunity for planting, after it has been found not as ordered.

SHIPPING. All goods sold by us are sold FOB. point of shipment, and while in transit travel at the risk and cost of the purchaser. We feel it is our duty to emphasize the fact that we do not insure the safe delivery of goods and that the title of any goods sold by us and consigned to the purchaser or consignee designated by purchaser passes to the purchaser upon delivery by us to the carrier at point of shipment. And we desire to make it clear to the trade that the Transportation Company's receipt relieves us of all responsibility. Any claim for damages should be made immediately to the agent at the point of delivery.

To Our Customers

We wish to call your attention again to the fact that it is absolutely impossible for us to dig any stock without advance notice.

Lots of items are becoming scarce, and we advise placing your order early, while stock is still available.

Because of the freight situation at present we recommend shipping by express if you wish prompt delivery, or calling for stock when notified your order is ready.
